## Teas

Great things come in small packages and our range of imported teas are set to take England by storm. Each tea comes in a single serve box with an infuser bag tucked away in Japanese silk with an incredibly full flavoursome taste.

Teas are also available in our Cucina shop as take home packs making great gifts for you or friends.

**English Breakfast Tea** - Made from the finest quality Ceylon and Assam black teas available. Enjoy this hearty, robust tea that stays true to the exacting standards of the popular original. Truly a great way to start your day.

**Citrus Spice Herbal Tea** - Luscious and lively, Citrus Spice begins with Rooibos, a South African herb, then adds lemon peel, orange peel, cloves, cinnamon, and other natural herbs and spices. The result is a refreshing medley that will transport your senses to a fragrant citrus grove.

**White Pear Tea** - Delicate and fragrant as a fresh-picked pear, this blend combines white tea, slivers of sweet pears, and natural pear flavour. It may be one of the smoothest blends you've tasted, providing a gentle lift any time of day. White tea, whose silvery buds are the least processed of all teas, contains the highest amount of antioxidants.

**Black Citron Tea** - Ah, lemon. Its luscious scent invigorates this blend, made with Nilgiri Black Tea, lemon peel, and natural lemon flavour. Both hearty and remarkably smooth, this blend is made with premium full-leaf tea. It's a perfect complement to any meal or sipped alone to elevate your senses.

**Earl Grey Lavender Tea** - Award-winning Earl Grey Lavender adds a unique twist to a popular favourite. Ceylon, Oolong and Darjeeling estate tea leaves are lightly flavoured with Oil of Bergamot and combined with super blue lavender to create a wonderful, sweet tea. Enjoy Earl Grey Lavender as a morning pick-me-up or as a late afternoon treat.

**Tropical Green Tea** - Tropical Green is a natural blend of Dragonwell green tea, Young Hyson and pineapple flavouring. Rich in flavour, this award-winning tea will convert anyone to the wonders of green tea.

**Sweet Ginger Peach Tea** - Flavour-packed, original tea made from fine Ceylon and Assam teas, fresh peach flavouring and ginger root, hand-blended.

**White Tangerine Tea** - Each sip of White Tangerine bursts with the scent and sweetness of juicy, fresh-picked tangerines. This healthy, light, wonderfully fragrant tea is made from the finest quality white tea from the Chinese province of Fujian. White teas contain the highest amounts of antioxidants.

**Golden Flowers Herbal Tea** - It's time to relax with Golden Flowers, a delicious blend of whole Egyptian chamomile flowers, marigold flowers and peppermint leaf. Caffeine-free.

**Southern Mint Herbal Tea** - A refreshing pick-me-up. This herbal drink, made from whole Egyptian mint leaves, has soothing properties and can help combat headaches and aid in digestion. Caffeine-free.

**Honeybush Caramel Tea** - With its delectable caramel flavour, Honeybush Caramel is a sweet and fitting conclusion to any meal. The South African herb, rooibos, provides more antioxidants than green tea and gives this blend its soothing properties. Caffeine-free.
